Chapter 1 by Story Wars

Life has trampled me
Beaten me to the ground,
I have nothing
I eat nothing,
I see nothing
I am nothing,
To be nothing
Is to have no life,
To have no life
Is to have no power,
To have no power
Is to have no faith,
To have no faith
Is to only have death

Chapter 2 by Sophia Hughes

To only have death

Is to see nothing

To see nothing

Is to feel nothing

To feel nothing

and i stand on the precipice
staring down at the abyss
is this all there is
when you're nothing
i am nothing
i watch as the sands of time
slip away in denial
or maybe happiness
or sadness
what's the difference
i don't know
did anyone ever?
and then
a whisper
in my ear
screaming out quietly
did you know
that no one is anything
everyone's nothing
the universe is empty
just a bunch of space
your actions are meaningless
causality brutality
the echoes of mortality
everyone dies
everyone cries
the universe moves on
you are not remembered
none of your actions

none of your words
will ever make a dent
on the history
of reality
but
none of your fears

none of your mistakes
none of your emptiness
none of your tears
none of your sorrow
will ever be remembered
by any one
or anything
as the universe moves on
that isn't exactly
hope
and it isn't exactly
fear
but it's something
yeah
something
which is more than nothing
